

Sooper
credit union

2021
ANNUAL REPORT

REPORT OF THE BOARD AND PRESIDENT

Dear Members,

In another unprecedented year impacted by the pandemic, we were pleased to continue serving our members in the form of competitive rates, low fees, friendly service, and dedicated community support. Thanks to our outstanding employees, we increased assets by **\$64.2 million**, reaching a significant milestone of over **\$500 million** in assets.

The critical measurement of a credit union's strength is the net worth ratio. Sooper Credit Union is well-capitalized and achieved a solid net worth ratio of 10.11%, exceeding the 7.00% ratio required by federal and state examiners. In 2021, we enjoyed another year of excellent net income with over **\$6 million**, up from \$2.4 million in 2020. Our loan portfolio grew by 9.49%, above our peer ratio of 8.50%. With such tremendous loan growth and to better support our members, seven new positions were added to our lending team.

The credit union's assets grew by **13.44%** to nearly **\$541.5 million**. This year, deposits grew by **14.11%** to fuel total deposits to **\$473.5 million**. Such outstanding financial numbers caused Sooper Credit Union to receive a "health rating" of A+ by DepositAccounts.com, an independent rating agency.

Sooper Credit Union continued our commitment to improving our member's financial journey through digital transformation and investment in offering more self-service options. To name a few of the digital enhancements now available: a self-service digital banking enrollment option was introduced to simplify the enrollment process, remote deposit capture was automated, internal business processes became automated, a new marketing automation platform was adopted, and more. In addition, the Aurora Branch was relocated to better serve our members with a state-of-the-art facility.

Our commitment to the community was steadfast in 2021. We positively affected the financial well-being of our community through employee volunteering and the support of several sponsorships impacting financial education, at-risk women and children, food insecurity, and the arts and business in the communities we serve.

When Boulder County was impacted by the devastating shooting at King Soopers in March and by the Marshall Fires late December, employees sprang into action to help several of our members through significant fundraising, corporate donations, loan deferrals, personal phone calls, food/clothing donations and more.

As the year came to a close, we bid farewell to Dan Kester, our President and CEO of 26 years. The Board of Directors named Carrie Langgard as successor in 2019 and she assumed the position of Sooper Credit Union President and CEO effective 1/1/2022.

Sooper Credit Union is proud to be your trusted financial partner, and we remain committed to helping financially empower your life's journey. Thank you for your membership.

Sincerely,

CARRIE LANGGARD | PRESIDENT AND CEO

REPORT OF THE AUDIT COMMITTEE

The sole responsibility of the Sooper Credit Union Audit Committee is to ensure that the credit union remains financially stable throughout the year. We are charged with the responsibility of assuring members that the credit union is being managed in a reliable manner.

The committee hired an independent CPA firm to perform the annual supervisory audit. Clifton Larson Allen, LLP, a certified public accounting firm, conducted the audit as of September 30, 2021, and noted that the results of Sooper Credit Union's operations and cash flows were in conformity with generally accepted accounting principles. Additionally, internal audits were conducted each month during 2021 by Holben Hay Lake and Balzer, a division of SingerLewak.

The Colorado Division of Financial Services examined Sooper Credit Union as of September 30, 2020. This examination determined that the capital, asset quality, management, earnings, liquidity and sensitivity to market risk of Sooper Credit Union pose no material risk to members.

DON BLEA | AUDIT COMMITTEE, CHAIR
