ELECTRONIC FUNDS TRANSFER AGREEMENT and DISCLOSURE - REG E

This Electronic Funds Transfer Agreement and Disclosure ("Agreement") is the contract which governs the rights and responsibilities of both parties regarding electronic funds transfer services offered by us. ("Account" means any one or more of your savings, money market, and checking account(s) you have with us. Electronic funds transfers are electronically-initiated transfers of money from or to your account through the various services described below. By signing an application or account card for EFT services, or by accessing any service, you agree to the terms and conditions in this Agreement, and amendments thereto, and any other agreements that may govern your accounts. We may refuse any transaction which would draw upon insufficient funds, lower an account below any required minimum balance, exceed a credit limit, or otherwise require us to increase our required reserve on an account.

Suspension of electronic services and access to share or deposit accounts. Subject to applicable law, we may suspend some or all electronic services and access to your checking or other account(s) if you become delinquent on any of your loan or deposit obligations to us or you cause a loss to us. We shall not be liable to you in any regard in connection with such suspension of services.

TYPES OF ELECTRONIC FUND TRANSFER SERVICES. The following describes the services, if approved, that are available, and some limitations that apply:

1. **Visa Debit Card.** You may use your Visa Debit Card and PIN to:

- Withdraw funds from your savings and checking account.
- Make deposits to your savings and checking account.
- Transfer funds between your savings and checking accounts whenever you request.
- Obtain balance information on your savings and checking accounts.
- Make loan payments from your savings or checking accounts.
- Pay for purchases at places that have agreed to accept the Card.
- Make POS (Point of Sale) transactions to purchase goods or services at POS terminals that have the Visa logo.
- Pay bills or make other transactions on Non-Visa Networks (STAR, ACCEL) without a PIN*
- Take an advance from your Line of Credit account.
- Order goods or services by mail, telephone, or via the Internet from places that accept the Card.
- Make cash withdrawals in foreign countries and in foreign currencies. Refer to your Truth in Savings Disclosures and Rates and Fees Schedule for any associated fees that may be charged.

Some services on Debit Cards may not be available at all terminals. The amount of purchases and/or cash obtained (if permitted) will be deducted from your checking account. Advances from your line-of-credit account are loans that must be repaid by you, and are governed by your line-of-credit agreement.

*Non-Visa PIN-less transactions will not be processed as Visa transactions and therefore will not include Visa's zero liability or chargeback and dispute resolution benefits. Additionally, provisions of this agreement relating only to Visa transactions are not applicable to non-Visa and PIN-less debit transactions.

Limitations. The following limitations will apply to your Card:

- The maximum dollar amount of cash withdrawals per day is \$1,010.00. Sufficient funds must be available to make any withdrawal. There is no limit to the number of cash withdrawals you may make in one day.
- The daily maximum purchase price for any one transaction at a POS Terminal is \$2,500.00. There is no limit to the number of purchases you may make in one day.
- For security reasons, there are other limitations to frequency and number of transfers you may make at ATMs.
- Your available account balance may be reduced for preauthorizations for 3 business days or until the transaction clears.

3. Electronic Check Conversion & Electronic Returned Check Fees. If you pay for something with a check, you may authorize a merchant or other payee to make a one-time electronic payment from your checking account using information from your check to: (1) pay for purchases or (2) pay your bills. When your check is used to initiate an electronic funds transfer in this way, you authorize the funds to be debited from your account as soon as the same day, and your check may not be returned to you. You also authorize a one-time electronic funds transfer to pay a Returned Check/EFT fee or Non-sufficient Funds fee if you have insufficient funds. Refer to your Truth in Savings Disclosures and Rates and Fees Schedule for any associated fees that may be charged.

4. Preauthorized Electronic Funds Transfers. You may authorize periodic or recurring automatic payments from, and deposits into, your designated account(s). Examples of such transfers include, but not limited to, direct deposit of your paycheck or Social Security check into your designated Credit Union account; automatic payment(s) from your designated Credit Union account to third parties; and automatic payment from your designated Credit Union account for loan payments or other amounts you owe us.

The frequency and amounts of these preauthorized transfers will be subject to and in accordance with the authorization that you sign, and any separate agreement you have with the originator of the transfer. See the Transfer Limitations provision for transfer limitations that apply to preauthorized transfers.

5. Phone Banking. You may access your accounts via our touch-tone telephone system. We will assign you a PIN to use this service. You may use telephone access to:

- Withdraw funds from your savings, checking, money market, and club accounts;

Other EFT Disclosures contained in this document apply to Online Banking services as well. You will also be required to comply with instructions and agreements provided online when you log onto the Online Banking service.

7. Online Bill Payment Services. Through our Online Banking service, we offer Bill Pay services so that you may pay your bills to third-party creditors and payees electronically. to comply with other instructions and agreements provided on-line when you log onto the Bill Pay service.

FEES. There are certain fees and charges for using electronic funds transfer services. For a current list of the types and amounts of these fees, please see your Rates & Fees Schedule that was provided to you. ATM Fees: Additionally, when you use an ATM not owned by us, you may be charged a fee by the ATM operator or any network used, and you may be charged a fee for a balance inquiry even if you do not complete a fund transfer. The amount of this fee will be disclosed to you by the owner of the ATM.

USE OF EFT CARDS AND SERVICES.

Ownership: any card or other access device that we provide you remains our property and must be returned to us, our agent, or to any person who is authorized to honor the card according to our instructions. We may repossess the card at any time at our sole discretion without demand or notice to you. You cannot transfer the card, access code, or account to another person, and you will be liable for any transfers made by anyone to whom you give your card or access codes.

Honoring the Card(s); Refunds: Neither we nor the merchants authorized to honor the card will be liable for failure or refusal to honor your card, access device, or code. If a merchant agrees to provide a refund or adjustment to you, you agree to accept a credit to your account instead of a cash refund.

Illegal Transactions: You shall not use your card to make any illegal transaction as determined by applicable law. We may decline any transaction that we believe to be illegal, including but not limited to any transaction involving or relating to any gambling activity. We will have no liability or responsibility for any such use or for declining any such transaction. You further agree to indemnify and hold us harmless from any suits, liability, damages or adverse action of any kind that results directly or indirectly from such illegal use.

Foreign Transactions; Currency Conversion: Purchases and cash advances made in foreign currencies will be debited from your account in U.S. dollars. The conversion rate in dollars will be (1) a rate selected by Mastercard from a range of rates available in wholesale currency markets for the applicable central processing date, which rate may vary from the rate Mastercard itself receives; or (2) the government-mandated rate in effect for the applicable central processing date in each instance. All transactions processed outside of the United States (which may include internet transactions) will be charged a foreign transaction fee in the amount disclosed on your Truth in Savings Disclosures and Rates and Fees Schedule, even if you are located in the United States.

Security of Card and Access Codes. The access codes issued to you are for security purposes and any codes issued to you are confidential and should not be disclosed to anyone else or recorded on or with the card. You agree to safeguard the codes and agree not to disclose or otherwise make available your cards or codes to anyone not authorized to sign on your accounts. If you authorize someone to use your access codes, that authority shall remain in place until you specifically revoke that authority by notifying the Credit Union.

Joint Accounts. If any of your accounts accessed under this Agreement are joint accounts, all joint owners including any authorized users, shall be bound by the terms and conditions of this Agreement. You understand and agree that any joint owner you authorize to use an access code may withdraw or transfer funds from any one of your accounts without your prior notice or permission, and we will not be liable to you in any way. Each of you jointly and severally shall be responsible for any and all transactions under this Agreement regardless of which owner accessed the accounts or used the services. Each joint account holder is authorized to act for the others, and we may accept orders and instructions regarding any transaction on any account from any owner. We can refuse to follow conflicting instructions.

Reversal of Transactions. You may not reverse any transaction when using your card to pay for goods or services by transferring funds through a terminal.

No Right to Stop-Payment for Terminal Transactions. Transfers made by terminal may be executed immediately. This means that a cash withdrawal or other debit transaction is immediately deducted from your account; there is no "float" time and therefore there is no effective way of stopping the transaction.

LIABILITY FOR UNAUTHORIZED USE. Tell us AT ONCE if you believe your ATM or Debit Card or any of your access codes have been lost or stolen, or if you believe that an electronic fund transfer has been made without your permission using information from your check. Telephoning is the best way of keeping your possible losses down.

For cards with the Mastercard logo: You will have no liability for unauthorized use of your Mastercard, provided that you have exercised reasonable care in safeguarding the Card from risk of loss or theft, and upon becoming aware of such loss or theft, you promptly report the loss or theft to us.

If the unauthorized use occurs through no fault of your own, you will not be liable for such unauthorized use.

Under no circumstances, however, will you be liable for more than \$50 if you tell us within 2 business days after you learn of the loss or theft of your card or access code and someone used your card or access code without your permission. If you do NOT tell us within 2 business days after you learn of the loss or theft of your card or access code, and we can prove we could have stopped someone from using your card or access code without your permission if you had told us, you could lose as much as \$500.

You should always save your terminal receipts, keep a record of your transactions, and reconcile your receipts with your periodic statements. If your statement shows transfers that you did not make, including those made by card, code or other means, tell us at once. If you do not tell us within 60 days after the statement was mailed to you, you may not get back any money you lost after the 60 days if we can prove that we could have stopped someone from taking the money if you had told us in time. If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time periods.

You are liable for all transfers or purchases made via your card(s), access code(s) or passwords that you authorize or allow. If you give your card, access code, or password to someone else, you are responsible for all transfers or purchases that that person makes with your card or via the service that they accesses, even if that person uses the card or code in a way that you did not anticipate or intend. You may revoke your permission for the other person to use your card by notifying us in writing, and allowing us reasonable time to act on your notification.

If you believe your card or access code has been lost or stolen, call: 303-427-5005 during normal business hours or write: 5005 W. 60th Ave., Arvada, CO 80003. You should also call this number or write to this address if you believe a transfer has been made using the information from your check without your permission.

BUSINESS DAYS. For purposes of these disclosures, our business days are Monday through Friday. Holidays and weekends are not included.

DISCLOSURE OF YOUR INFORMATION. We will disclose information to third parties about your account or the transfers you make:

1. Where it is necessary for completing transfers;
2. In order to verify the existence and condition of your account for a third party, such as a credit bureau or merchant;
3. In order to comply with government agency or court orders; or
4. If you give us your written permission.

RIGHT TO RECEIVE DOCUMENTATION

PERIODIC STATEMENTS. Transfer and withdrawal transactions made through any card, Online Banking or Bill Pay service, telephone access system, or preauthorized transfer will be reflected on your periodic statement. You will receive a monthly statement unless there are no transfers in a particular month. In any case you will get a statement at least quarterly.

TERMINAL RECEIPTS. You can get a receipt at the time you make any transaction (except inquiries) to or from your account using an ATM, Point-of-Sale terminal, or Check Card transaction with a participating merchant. You should keep your statements and receipts, as they may be admissible evidence in legal proceedings if a dispute should arise and shall constitute prima facie proof that such transfer was made.

PREAUTHORIZED EFTS. If you have arranged to have a direct deposit or preauthorized debit or credit made to your account at least once every 60 days from the same person or company, you can call us at 303-427-5005 or use telephone access or Online Banking to find out whether or not the deposit has been made.

RIGHTS REGARDING PREAUTHORIZED PAYMENTS

Right to Stop Payment and Procedure for Doing So. If you have told us in advance to make regular payments out of your account, you can stop any of these payments. Here's how:

Call us at 303-427-5005, or write us at 5005 W. 60th Ave., Arvada, CO 80003, in time for us to receive your request three (3) business days or more before the payment is scheduled to be made. (If you want to stop a payment being made through Bill Pay, you should follow the instructions within Bill Pay). If you call, we may also require you to put your request in writing and get it to us within 14 days after you call. Please see the Rates & Fees Schedule for any fees charged for stopping payments.

Notice of Varying Amounts. If preauthorized recurring payments may vary in amount, the person you are going to pay will tell you, 10 days before each payment, when it will be made and how much it will be. (You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment, or when the amount would fall outside certain limits that you set.)

Liability for Failure to Stop Payment of Preauthorized transfer. If you order us to stop one of these payments 3 business days or more before the transfer is scheduled, and we do not do so, we will be liable for your losses or damages.

OUR LIABILITY FOR FAILURE TO MAKE TRANSFERS. If we do not complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages. However,

there are some exceptions. We will not be liable, for instance:

- If, through no fault of ours, you do not have enough available funds in your account to make the transfer.
- If the funds in your account are pledged as collateral for a loan or frozen because of a delinquent loan or other reason.
- If the transfer would go over the credit limit on your overdraft line.
- If you used your card or access code in an incorrect manner.
- If the ATM where you are making the transfer does not have enough cash.
- If the error was caused by a system of any participating ATM network.
- If the ATM, POS terminal, telephone access system, Online Banking or Bill Pay system or other electronic service was not working properly and you knew about the breakdown when you started the transfer.
- If circumstances beyond our control (such as fire or flood) prevent the transfer, despite reasonable precautions that we have taken.
- Any other exceptions stated in any of our agreements with you or which may be amended in the future.

BILLING ERROR RESOLUTION (*does not apply to international remittance transfers*):

IMPORTANT SAFETY TIPS REGARDING THE USE OF ATM MACHINES. The following is a list of safety precautions that you should follow when using an ATM machine or night depository:

- Be aware of your surroundings, particularly at night;
- Consider having someone accompany you when using an ATM or Night Depository after dark;
- If the ATM facility is equipped with a door, close it tightly before beginning your transaction, and do not allow anyone you don't know into the facility with you;
- If another person is uncomfortably close to you at the time of your transaction, ask the person to step back before you complete your transaction;
- Refrain from displaying your cash - place it in your pocket or purse as soon as the transaction is completed. Count your cash in the safety of a locked enclosure such as a car or home;
- Use a different ATM or return at a later time if you notice anything suspicious while using or approaching the ATM. If you are in the middle of your transaction, cancel the transaction, take your card or deposit envelope, and leave;
- If you are followed after completing your transaction, go to the nearest public area where people are present;
- Do not write your personal identification number or code on your ATM card; and
- Report all crimes immediately to the operator of the automated teller machine or to local law enforcement officials. If emergency assistance is needed, call the police from the nearest available public telephone. If you have complaints or concerns about the security of the ATM, contact the operator of the ATM, or the state banking department.

The terms and conditions of this Agreement are in addition to the Account agreements, disclosures and other documents in effect from time to time governing your Funding Account.

RESPONSIBILITY

The Service provider shall use commercially reasonable efforts to process the Scheduled Payments per your instructions. Neither the Service provider nor the Financial Institution shall be liable for any Payment transaction if: (i) you do not have enough money in your Funding Account to complete the transaction; (ii) a legal order prohibits withdrawals from your account; (iii) your Funding Account is closed or has been frozen, or is otherwise not authorized to debit the corresponding Payment Amount; (iv) the transaction would cause your balance to go over the credit limit for any credit arrangement set

up to cover overdrafts; (v) you, or anyone you allow, commits fraud or violates any law or regulation in connection with the Services; (vi) any electronic terminal, telecommunication device or part of the electronic fund transfer system is not working properly; (vii) you did not provide complete and correct Funding Account, Payment or Payee information; (viii) you did not properly follow the instructions or terms and conditions for use of the Service; (ix) you knew and/or had been advised that Service was not operating properly at the time you scheduled the Payment; (x) there is a postal delay; or (xi) circumstances beyond the Service provider's control (such as fire, flood or improper transmission or handling by a third party) that prevent, hinder or delay the transaction.

With the exception of the foregoing, if the Service incorrectly debits your Funding Account and/or directs funds from your Funding Account to a Payee inconsistent with the instructions you specified in the Scheduled Payment, the Service shall, upon detecting the error or receiving notice from you, be responsible for returning the improperly transferred funds to your Funding Account and/or redirecting funds to the proper Payee and/or contacting the Payee to request appropriate adjustments on your account with the Payee except as otherwise provided under the Authorization section below.

LIABILITY

You will be responsible for any Payment request you make that contains an error or is a duplicate of another Payment. The Financial Institution and/or Service provider is not responsible for a Payment that is not made if you did not properly follow the instructions for making a Payment. The Financial Institution and/or Service provider is not liable for any failure to make a Payment if you fail to promptly notify the Financial Institution after you learn that you have not received credit from a Payee for a Payment. The Financial Institution and/or Service provider is not responsible for your acts or omissions or those of any other person, including, without limitation, any Payee or transmission or communications facility, and no such party shall be deemed to be the Financial Institution's and/or Service provider's agent. In any event, the Financial Institution and/or Service provider will not be liable for any special, consequential, incidental, or punitive losses, damages, or expenses in connection with this Agreement or the Service, even if the Financial Institution and/or Service provider has knowledge of the possibility of them. The Financial Institution and/or Service provider is not liable for any act, failure to act or delay in acting if it is caused, in whole or in part, by any cause beyond the Financial Institution's and/or Service provider's reasonable control.

SETTING UP AND MAINTAINING PAYEES

To begin using the Service you will first need to establish at least one Payee in your Payee List. You may add, modify or delete Payees as necessary. It is your responsibility to manage your Payee List and maintain accurate Payee information, such as but not limited to the address to which the Payee specifies Payments are to be delivered, your account number with the Payee, the name on your account with the Payee, etc, except where the Service expressly indicates that it shall manage such Payee information, such as a Merchant's remittance address. Payees must reside or exist within the United States of America or its territories or commonwealths. The Service provider and/or the Financial Institution reserve the right to refuse or remove a Payee for any reason.

SETTING UP PAYMENTS

To schedule Payments you must choose a Payee from your Payee List. You may schedule One-Time Payments and Recurring Payments to any of your Payees. It is your responsibility to cancel, skip, reschedule or revise a Scheduled Payment in accordance with the Payee's instructions to you, or as needed to ensure sufficient available funds in the corresponding Funding Account, or under circumstances where the Payee may return the Payment to the Service provider due to any reason outside the Service provider's or the Financial Institution's control. The Service provider and/or the Financial Institution reserve the right to refuse or cancel a Payment for any reason.

The earliest possible Process Date / Withdraw On Date and Due Date / Deliver By Date for each Payee will be determined and presented by the Service when you schedule a Payment. The Service will not permit a Process Date / Withdraw On Date or Due Date / Deliver By Date earlier than the earliest possible dates presented. The Service determines this earliest possible Process Date / Withdraw On Date and Due Date / Deliver By Date based on the number of Business Days required to deliver a Payment to the Payee, which is primarily affected by whether or not the Payee has agreed to accept remittance of Payments electronically (typically one or two (1 or 2) Business Days) or requires Payments be delivered by check (typically four or five (4 or 5) Business Days). A Payee's location or policies for posting and crediting payments may require additional Business Days. Payments scheduled after the Service's Cut-Off Time shall be processed no earlier than the following Business Day. Currently, the Cut-Off Time is 3:00 p.m. Central Standard Time, but the Service provider and/or the Financial Institution may change the Cut-Off Time without prior notice.

You should carefully consider factors such as the Payee's date payment due, grace period, whether the Payee's date payment due falls on a non-Business Day, etc, when scheduling a Payment to avoid late payments and late fees. You must allow the necessary number of Business Days prior to the Payee's date payment due for each Payment, including each Payment of a Recurring Payment series. Some businesses take longer to post payments than others. You should consider allowing additional time for the initial Payment to a Payee through the Service in order to gauge the appropriate Payment Date / Withdraw On Date or Due Date / Deliver By Date in each case, and determine whether to allow an additional one (1) or two (2) business days to avoid incurring any late fee charged by the Merchant. It is your responsibility to schedule Payments appropriately and in accordance with the Payee's requirements. Neither the Service provider nor the Financial Institution shall be responsible for late payments, nor reimburse you for late fees, for any Payment delivered in accordance with your instructions, or as a result of a Payee's payment processing policies, or any other circumstance outside the Service provider's control. Payments to Payees, businesses or individuals, outside the United States of America or its territories or commonwealths, are prohibited.

EDITING OR CANCELING PAYMENTS

Any Payment can be modified or canceled, provided you access the Service prior to the Cut-Off Time on the Business Day Payment is going to be processed. Once a Payment is in-process, it cannot be canceled through the Service. Instead, you must contact Customer Service to request a stop payment. A Recurring Payment may be edited or canceled after processing for the current Payment instance is complete.

STOP PAYMENT

You may request to stop payment after a payment has been processed by contacting Customer Service. The Service's ability to successfully stop payment depends on how the funds were remitted to the Payee and the elapsed time since the Payment was processed. The Service provider and the Financial Institution will make commercially reasonable efforts to stop payment per your request, but shall have no liability if unsuccessful. You may be charged a stop payment fee for each request.

EXCEPTION PAYMENTS

Tax payments and court ordered payments may be scheduled through the Service; however such payments are discouraged and must be scheduled at your own risk. In no event shall the Financial Institution or Service provider be liable for any claims or damages resulting from you scheduling these types of payments. The Service provider shall have no obligation to research or resolve any claim resulting from any such payment. All research and resolution for any misapplied, mis-posted or misdirected payments will be your sole responsibility.

BILL PAYMENT PROCESS

The Service will process Payments in accordance with the Payment instructions you provide. The Service will not process Payments on weekends or bank holidays. The Service will debit your Funding Account or issue a draft against your Funding Account, and deliver those funds to the designated Payee on your behalf such that the funds arrive as close to the scheduled Due Date / Deliver By Date as is reasonably practicable.

Numerous business and technical requirements determine if a Payee can accept Payments electronically, but in all cases Payments can be remitted by check. The Service provider shall have sole discretion to determine the appropriate remittance method. In order to process Payments efficiently and effectively, or otherwise comply with Merchants' remittance requirements, the Service reserves the right to change or update Payee data, or alter the method of Payment remittance. Neither the Service provider nor the Financial Institution shall be responsible for late payments, nor reimburse you for late fees, due to: a) U.S. postal delivery issues; b) electronic remittance network issues; c) your Payee's payment processing procedures; d) instances where the financial risk associated with the Payment requires check remittance instead of electronic remittance or additional Business Days to ensure sufficient funds in the Funding Account are available; or d) other circumstances beyond its control.

AUTHORIZATION

When you schedule a Payment, you expressly authorize the Service provider and/or the Financial Institution to withdraw from your Funding Account the Payment Amount and to remit those funds to the designated Payee on your behalf, and additionally to debit your Funding Account for any applicable Service related fees. You further authorize the Financial Institution to credit your Funding Account for any payment returned from or undeliverable to the Payee. In addition, you certify that the Funding Account is an account from which you are authorized to make payments and incur debits.

You agree to have available and collected funds on deposit in the designated Funding Account in amounts sufficient to process each Payment as requested by you, as well as any other payment obligations you have to the Financial Institution. The Financial Institution reserves the right, without liability, to reject or reverse a Payment if you fail to comply with this requirement or any other terms of this Agreement. If you do not have sufficient funds in the Funding Account and the Financial Institution has not exercised its right to reverse or reject a Payment, you agree to pay for such Payment obligations on demand. You further agree the Financial Institution, at its option, may charge any of your accounts at the Financial Institution to cover such Payment obligations.

You authorize the Service provider and the Financial Institution to contact your Payees to request appropriate adjustments consistent with your Payment instructions and/or as pertaining to the Service Guarantee and Responsibility, and/or to stop payment on any draft issued against your Funding Account in connection with the Service in the unlikely event that the Service remits funds incorrectly to any of your Payees, and/or to withdraw funds from your Funding Account in such event if you otherwise receive the benefit of the amount of such incorrectly remitted funds.

RETURNED PAYMENTS

In using the Service, you understand that Payments may be returned by or to the Service provider for various reasons including but not limited to: the account or account number at the Payee is not valid, the Payee address is not valid, the Payee returns or rejects the remittance item, the account at the Payee has been paid in full or has been turned over to another company or individual.
